

It has come to my understanding that K-LOVE is at risk of losing it's FM translator service to a LPFM station, this would be a true detriment to the nation as a whole. EVERYDAY K-LOVE encourages me and my children in a positive and loving way through it's songs and prayers. It is the ONLY station that plays music that is encouraging to my family and I never have to worry about the radio personalities talking about a subject that is not appropriate for my children to hear. K-LOVE has changed the lives of many people in my community, it's a calming presence in the car (especially in Denver traffic) and encourages Christ-like behavior. Replacing K-LOVE with any other station would truly be a disappointment. Please keep my K-LOVE on the air! Thanks for listening! Jennifer Nickal
